DELIVERY OF 15 DVDs -VIDEO OF CONSTRUCTION & FACILITIES AT LIBBY
ASBESTOS SITE (CONVERTED FROM 8MM FILM)**

Dear Ms. Land,

Toeroek digitally converted nine rolls of 8 millimeter tape containing historic footage of construction at the Libby Asbestos site. This digital footage was burned to a DVD that was delivered to EPA on March 26, 2008.

At your request, we produced 15 more copies of this DVD, which are being delivered with this transmittal letter. The menu on each DVD prompts the user to select from one of nine titles. The title names were taken directly from the handwritten labels on the 8 millimeter reels. Hold the cursor over the title you would like to view - you will notice it becomes highlighted. When this occurs, click and the video for that segment will begin.

Please contact me at 720.898.4107 with any questions.

Sincerely,

Kevin Geraci
